

## NEW STARS SHINE IN PENN-NAVY 7-7 TIE

Martin, First Year Middy,  
Grabs Pass and Runs 70  
Yards for Touchdown.

### A 60 YARD GAIN BY BERRY

ANAPOLIS, Oct. 16.—The playing of football for the University of Pennsylvania and the Naval Academy today in an interesting game of football which resulted in a tie with seven points for each team.

Martin, who entered the Academy this year, carried the ball from scrimmage more effectively than any of his mates, but his star performance came in the second quarter when he intercepted a forward pass and ran seventy yards for a touchdown. The play was nearly a duplicate of his performance against Pittsburg last Saturday. Blodgett was called into the game to relieve Jackson, and he kicked the goal.

Berry succeeded Grant in the second quarter, soon after the midshipmen had scored. He put life into the game immediately, although Grant had played a good game and had carried the ball effectively. Berry's kicking, passing and running with the ball were of a high order, and he was the starting point in nearly all of Pennsylvania's usual and varied forward pass plays. Berry dodged well and one of his gains after receiving a kick was for sixty yards.

Pennsylvania's score came in the third quarter. The visitors received the ball on a punt out at midfield and a pass from Berry to Hopkins gained thirty yards. On the next try, however, Martin obtained the ball. Blodgett punted only fifty-five yards and the Navy lost the game on the next play for interference with the player receiving the pass. Forward passes from Williams to Hopkins and from Berry to Hopkins covered the remaining ground to the line.

Just before final time was called Miles got a fair catch on Penn's 40 yard line and Berry made a try for goal from placement.

The game was full of encouragement for the Navy team. The improvement was noticeable in the charging and defensive play of the line. A promising ground game has been found in the use of feet and hands. A wonderful eye for the ball, Miles and Westphal showed improvement in their playing. The lineup:

### PEDDIE BEATS CUB TARS.

Long Runs Flung in 10-0 Defeat

ANAPOLIS, Md., Oct. 16.—Some good football was played here this afternoon when Peddie Institute defeated the Naval Academy fourth class team by a score of 10-0. The game was a very interesting one, with the Peddie team showing a lot of improvement in their play. The Naval Academy team was outplayed in every phase of the game. The Peddie team's offense was particularly effective, with several long runs that resulted in touchdowns. The Naval Academy team's defense was unable to stop the Peddie team's offense. The game was a good one for both teams, but the Peddie team came out on top.
